Temperance Commitment Day
Next Sabbath, Feb. 27, will be Temperance Commitment Day in all our churches throughout the world.
Mr. Robert H. Fore, of Pamplin, the Temperance Secretary, for the Appomattox Church for the sixth executive year gives this report from R. F. Figuhr, president of the General Conference of Adventists of Takoma Park, Washington, D.C. He says: "A Forward Step for Listen Magazine" Several months ago an article from Listen magazine was officially reprinted in the congressional Record, Seventh-day Adventist can take pride in Listen" a journal without peer in the field of temperance.
Multitudes who are caught by the vicious habits of smoking, and drinking, should have the positive help that Listen magazine can give, to keep them escape from these snares. The government is planning to spend millions of dollars in a nationwide educational program, warning the people of the hazards of smoking. As loyal Seventh-day Adventist we should be in the very forefront of such a program doing all we can to aid our government in such an important effort.
In order to meet this urgent need the 1964 Autumn Council unanimously voted to increase "Listen" magazines effectiveness by the addition of Listen News Service" to be printed by the Pacific Press in regular news paper style, this four page news service will come from the press every two weeks. It will feature articles designed to help people stop smoking and drinking. It will carry announcements of the Five-Day Plans to be held all over the country. Up-to-the- minute column for teen-agers in addition to the latest scientific news in the field of temperance and better living. It was further voted at the Autumn Council that the new "Listen Service" be introduced in our churches on Temberance Sabbath, Feb. 27, We feel confident all our people will welcome this wider mission of Listen and will do all possible to see that it reaches millions of readers who so urgently need the gospel of temperance.

Rebellettes Sneak By Lancers

A hard fought game was seen by the spectators as the Rebellettes passed the Amherst Lancers in the last few seconds. The game had to go into overtime as the regulation game ended 37-37. The final score was 44-43.
High scorer for the Rebellettes was Susan Jennings with 16 pts. The Lancers had the high scorer for the game in Kay Alcock with 25 pts.
This was the last game for the Rebellettes this season. The Rebellettes had a 7-5 record for the season. Mary Libby Tolley was the average high scorer. She had a 14-2 points average for the season.
The Rebellettes and Mrs. Martin would like to thank the public for supporting the team and they hope to have the same good support next year.

Thinking Day Honors Founders

Amie, amiga, vriendin, freundin, amica, kalbirian . . . it means friend.
No matter how it is pronounced or where it is said, "friendship" has a special significance to Girl Scouts and Girl Guides throughout the free world.
Girls learn early in their Scouting and Guiding days that there is a world of friendship. They share the same ideals of duty to God and country with five and a half million girls and adults in 97 countries — all members of the World Association of Girl Guides and Girl Scouts.
Special days are set aside in all of these countries for emphasis on international friendship. Such a day is February 22. This date has double significance for Girl Scouts of the U.S.A. Not only is it George Washington's birthday, but it also marks Thinking Day in honor of the birth dates of Lord Baden-Powell, founder of Scouting and Guiding, and Lady Baden- Powell, World Chief Guide. Among Girl Scouts and Guides everywhere, Thinking Day is a special time for troops around the world to think of each other and focus their activities around international friendship.

Insects AND YOUR HEALTH
THE SPIDER!
The NATIONAL PEST CONTROL ASSOCIATION recently issued a warning to home owners of a hermit-like spider. This spider can cause an ulcer-like wound that can be very painful. This member of the spider tribe is generally considered to be beneficial to man. It is small . . . usually less than a half inch long . . . and soft bodied. When it bites . . . the effects can be dangerous. Scars from these bites have been reported as large as a half dollar. A person bitten by one of these insects should consult a physician immediately.
DON'T DO-IT-YOURSELF
If you are careful, it is possible for you to have some degree of success as your own pest control operator, but it could also be dangerous. Approximately 99% of all accidents growing out of lethal insecticides are caused by some inexperienced person who has unknowingly applied the chemical. The cost of a professional service is very often no more . . . in many cases it is less . . . than do-it-yourself methods. The risk involved is great . . . too great!

Bert Dodson
LET US SOLVE THE PROBLEM
Don't let a pest problem perplex you. Let us solve the problem the easiest and safest way. DODSON PEST CONTROL operators are professional pest control operators who have been serving the people of this area for years. We are now prepared to deal with any pest problem adequately. Our office is located at 3714 Campbell Avenue in Lynchburg. We invite you to stop by anytime . . . or give us a call collect at Lynchburg 846-2747. We'll be happy to stop by and give your home or business a free inspection . . . then tell you what service, if any, is needed to free your home or business of dangerous, annoying pests. Call us soon.

Carver-Price Homecoming Friday

The public is cordially invited to attend home coming exercises at the Carver Price High School this Friday evening at 7 p.m.

C-Price Honor Society Inducts Fourteen Members

The Carver-Price High School inducted members, for the first time, into the National Honor Society. These members were inducted into the Chapter during an impressive candle-light ceremony. The Chapter acclaimed the name Morella J. Price in the honor of the retired county supervisor.
The Honor Society outranks all other distinctions that a secondary school can bestow on any student. The Society looks upon education as a total product, measured by the four-dimensions of life, scholarship, leadership, service and character.
The following 14 students received the honor of becoming members into the Morella J. Price Chapter: Sally Williams, Mozella Ferguson, Evelyn Ferguson, Georgia Mosely, Alonzo Johnson, Edward Lockett, Jessee Lewis, Delores Hamlette, Doris Mcginnes and Eva Lambert.
Mrs. Hezetine R. Foster is sponsor, assisted by Mrs. Eddy Otey.

Top social item of the week: What a shore joy to meet up with Dr. Chas. F. James, currently of Epps, Ala., but a lifetime honorary citizen of Appomattox. Dr. and Mrs. James are visiting in this area and surely have to have a session to recall fond memories and the result will be "Darkleaf Journal." I think it was about 1917 that "Call Me Charlie" acquired the cure store on the Main Stem here and prebided there so skillfully and confribted so much to our community . . . pharmacist, town councilman, mayor and Masonic leader. And Mrs. James, too, as one of the founders of our Garden Club. Ah yes, we will not forget.

I feel constrained to report on the resurgence of my participation in tournaments of playing the game of bridge. After many years of non-compliance, I have returned to the game and played twice thus far into 1965. The first match of with ended in a tie, after two hours of play. Thus encouraged. I found myself in another game last Saturday evening and this one continued for over three hours and when the dust of battle had settled and the score was added, there was a net deficit on my side of twenty (20 points. C. P. Pantherettes Undefeated

To Play Nelson Memorial In Homecoming Duel Friday

The Carver - Price gymnasium will be the scene of the homecoming clash between the basketball teams of Nelson Memorial of Arrington and the Panthers and Pantherettes, of Appomattox.
The undefeated Pantherettes, winners of six consecutive Group II, District V titles, who will be just one play on one trick would have made the difference. It's often that way in life.

week out of the deep respect that Future Farmers hold for our first president. Although he is generally recognized as a Revolutionary War General and as our first President, his first love was the farm. At his Mount Vernon home, he was one of the first in the nation to practice contour planting, crop rotations, fertilization, and other soil conservation methods. He was the first to plant a crop that we now call "alfalfa."

OBITUARIES

Miss Anne Cosby Thomas
CONCORD, Feb. 18 — Miss Anne Cosby Thomas died Thursday in Lynchburg. She is survived by her parents, Mr. and Mrs. Arthur C. Thomas, of Concord; five sisters, Mrs. Rov Rainey, of Zuni, Mrs. Joseph Vaden, of Keysville, Mrs. P. M. Cochran, of Sweet Briar, Mrs. R. A. King, of Concord, and Mrs Edgar B. Dales, of Norfolk, and two brothers, Robert and Dan Thomas, oeth of Lynchburg. A funeral service was held at noon Saturday at the residence in Concord, with burial in Concord Cemetery.

seeking their eighteenth straight victory and twelfth of the season boast one of the finest records in the state. The Pantherettes first won the conference crown and the tournament championship in the 1958-59 season. In 1959-1960 Carver- price did not field a girls' basketball team. In each of the succeeding basketball seasons, the Pantherettes have been conference and tournament champions. In posting this season's 11-0 mark, Wanda Goode, Dolores Hamlette, Lois Johnson, Barbara Turner, Martha Hamlett and Evelyn Chratam have been the spark plugs. Wanda Goode, the girl with the golden arm, who has every shot in the book is a cool operator averaging 19.5 points per game. Wanda's 34 points against Central stands as a school record. Reserves Marie Pitch, Mary Matthews and Betty Jones have seen action also.
The Panthers currently winning at an 8-5 clip, will try to avenge an earlier 63-49 set-back by Nelson. Seniors Robert Trent, Louis Preston, and Carl Moore have been the big guns. Bobby Trent's 37 points pitted against Russell Grove won for him a school record. He is third in the conference scoring race averaging 17.1 points per game, while teammate Lou Preston is seventh in the league with a 15.1 average. Other mainstays have been Juniors Winfred Hamlette, Edward Lockett, Walter Turner and Seniors Lion Lewis, Oliver Chambers and Ketneth Fitch. Reserves Melvin Johns, Lloyd Williams, and Lindray Fleshman have seen limited action.
The activities which begin at 7 p.m. will be in honor of the parents and guardians of team players. A special half-time program will be held to express to the parents the appreciation of the school and coaches for having had the opportunity to work with their sons and daughters.

Modern FLAMELESS electric heating will last as long as the house.
There are no moving parts in an electric heating system. Nothing to wear out. Nothing to replace, ever. Nothing to clean and service each year before you turn on the heat. No fuel to worry with, either. Once your flameless heating system is put in, you can forget it. Just sit back and enjoy the marvelous comfort and convenience only flameless electric heating offers.
For full details and free estimate, call your VEPCO-authorized Comfort Conditioning Contractor. (He's listed in the Yellow Pages.) He'll also tell you how you can qualify for VEPCO's $125 cash allowance on flameless electric heat installation. (Offer good until December 31, 1965.)
